Secretary's Address

Dear Members,

Wishing that this phase of COVID Passes safely for all. It's around 3 months when Your New Committee took charge and I would like to update the Members on the work done during the last 3 months:

1. Getting the First Floor Restaurant fully operational with our own staff.
2. Getting the Banquet Area Operational.
3. Greens have restarted playing after necessary maintenance.
4. Regular Monthly Medal Rounds and Tournaments were held and already lined up for coming months.
5. Maintenance staff on the course have been assigned duties for regular maintenance so as to improve the regular feel on the course.
6. Installation of Vending Machine at Hole No. 6 for coffee, soup etc.
7. House Keeping is being monitored closely at the Club House and Surrounding Areas.
8. Water Seepage problem in the Club House has been contained at a nominal cost. Regular Seepage in club office has also been rectified with necessary repairs.
9. Necessary Action is being taken for overdue Club Bills from Defaulting Members.
10. Professional Training of Club Staff is already underway to improve the service standards and inculcate necessary etiquettes in the staff.
11. Discussions have been held regularly for the construction of Lodging Facility so that the necessary permissions can be taken thereafter for further progress.
12. Valet introduced on Test Basis.

Further there are other improvements lined up which will be taken up in due course and will be shared to members on a regular basis. Looking forward to continued support from Members

Regards,

(CA Sandeep Das)
